BEER MENU

we know, we know! everyone hates QR code menus these days but hear us out. our draft list changes so much that we'd need to reprint these things twice a week. and we've got beer to make for you.

Sooooooo. in the meantime you can scan this with your phone to get the most up to date beer menu or check out the menu board behind the bar

TO GO BEER

the QR code to the right will give you an up to date list and our bar team has paper copies behind the bar as well. We're happy to bag up anything you'd like to take to-go

FAQ

FLIGHTS?

We're a no flight zone but we'll be happy to pour you a sample so you can make sure you dig what you're ordering

GROWLERS

Yep. We offer 34 oz insulated bottles for sale that we'll fill with anything we have on draft. We'll also fill clean growlers that you bring in.

HOW LONG YOU BEEN OPEN

We opened our first location on King Street in May of 2020. Best time to open a brewery since Prohibition. We opened Northstreet in November of 2022.
